The Company

Thermo By Products began selling transport refrigeration product in 1993. Our sales staff has well over 100 years of combined experience in the transport refrigeration field. The company has grown to become one of the largest independent distributors of replacement product for both Thermo King and Carrier.

We service our customers around the world out of our warehouse in Portland, Oregon. We strongly believe that you, our customer, drive our business. Quality is job #one! Thermo By Products has a staff dedicated to sourcing high quality products to ensure that our products meet or exceed OE specifications. Your suggestions for improvement are met as a challenge to make our products second to none.

For your convenience we offer 3 easy ways to order.

- Customer service reps are readily available to take your phone orders from 8:00am to 5:00pm pacific standard time. Call 800-289-2737 or local 503-288-0100.

- Our dedicated fax line is on 24 hours a day. Fax to 800-214-6745 or local 503-288-4328.

- Internet orders may be placed 24 hours a day at www.thermobyproducts.com or www.asetbp.com.

In 2002, Thermo By Products merged with ASE Supply. ASE Supply has been a warehouse distributor of heavy duty electrical and small engine products since 1963. Together, these two companies are known specialists in each of their fields. As you look through our catalog, please do not forget we are here to help you with all of your transport refrigeration, heavy duty electrical, and small engine needs.

Thermo By Products is an employee owned company. As such, all of our owners are keyed to our customers' success.

Thank you for your business!

Comfort Pro APU

Idling a tractor engine for in-cab comfort or to ensure cold starts is very costly. It increases fuel cost, engine hours, engine maintenance, and service cost. Carrier Centers offers Auxiliary Power Units (APUs) from Carrier ComfortPro, eliminating the need for an idling engine.

REMANUFACTURED COMPRESSOR WARRANTY

Remanufactured compressors are warranted to be free of defects in materials or workmanship for a period of one (1) year from the date of installation. Unit shall be installed and maintained using OEM published specifications. Documentation (work orders & original invoicing) will be required for any warranty requests

Compressor Kits

Kits Include

Crankshaft	Main Bearings	Valve Plates
Connecting Rods, STD	Oil Pump	Gasket Set (not pictured)
Pistons, STD (specify oversize)	Thrust Washer	Check Valves, (oil return)
Piston Rings	Crankshaft Seal	Filter, Suction Sock

Note:

Please specify oversized or Standard, If you do not, then a standard kit will be sent to you.

Representation

Every effort has been made to ensure accuracy of information in the Transport Refrigeration Parts Catalog. We do not assume responsibility for errors which may be contained in the catalog. We would appreciate being notified of any inaccuracies which may come to your attention. Any use of manufacturer part numbers or model information is for reference only.

Prices

Prices may change without notice.

Returned Goods

ASE Supply / Thermo by Products may elect to accept returned goods, but has no obligation to do so. Written authorization must be obtained from our Customer Service Department. This authorization and a copy of the invoice must accompany parts on their return. Returned goods are subject to a restocking charge.

Special Orders

Special orders are welcome, however, all special orders must be prepaid and are non-returnable.

Shipping/Freight

ASE Supply / Thermo By Products guarantees prompt processing of your order. In most cases your order will be shipped the same day it was received. All merchandise is shipped FOB in excellent condition from our Portland facility. Delivery, freight, and special handling charges will be added to each invoice as appropriate.

It is the customer's responsibility to process freight claims. Merchandise will not be accepted for return because of damage in shipment. Notify your freight carrier promptly at delivery of all damages or missing parts.

Shipping errors and/or billing errors must be reported within twenty-four hours of receipt so that appropriate action may be taken. Please report all over's and shorts so that we may keep our inventory as accurate as possible to serve you best.
